## Custom Colors (Requires additional charge, 4-6 week lead time, and 30 gallon order minimum)

The possibilities are endless!  
If you are interested in custom color matching, either locate a physical sample or a paint color chip number then reach out to your Bitec representative to start the process.

Quantity	Custom Upcharge
30-60 gallons	\$20.00 / gallon
61-100 gallons	\$16.00 / gallon
101-250 gallons	\$12.00 / gallon
251+ gallons	\$8.00 / gallon

Notes:

- For details on additional charges or color matching, please consult with your local Bitec representative.
- Actual color may vary from the print and digital version of this chart. Surface texture, ambient light, and method of application may also affect the final color.
- It is highly recommended to order at least 10% additional material.
