

THANK YOU for your interest in BITEC roofing and coating products!

Please follow the guidelines below to register a project for warranty coverage.

1. INSTALLER REGISTRATION

If your company is not yet registered as a BITEC approved installer, please contact BITEC at (800) 535-8597, and you will be put in touch with your local sales representative, who can guide you through the contractor registration process.

2. PROJECT PRE-QUALIFICATION

For residential, as well as commercial applications, and whether new construction, tear-off, re-cover, restoration, coatings, maintenance or repairs, BITEC invites you to utilize our highly qualified technical staff at (800) 535-8597 to review architectural specifications, detail drawings and/or on-site conditions prior to submitting a bid to ensure that the most appropriate, as well as the most competitive system to meet each individual project's needs.

3. WARRANTY APPLICATION

The accompanying Warranty Application Form **must be submitted prior to starting the project**. BITEC reserves the right to withhold or suspend warranty coverage for any project installation that is begun and/or completed prior to BITEC's approval of the Warranty Application Form.

4. FORM FEATURES

Our Warranty Application Form features drop down menus for quick, one-click completion;
